

SRI LANKA INSTITUTE OF TEXTILE AND APPAREL

Textile Training & Services Centre and Clothing Industry Training Institute that existed for 25 years have been merged by the parliament Act. No. 12 of 2009 to establish "Sri Lanka Institute of Textile and Apparel" (SLITA).

The Institute offers training programmes covering a wide range of subjects from fibers to finished products. The state - of - the - Art Laboratory holds ISO 9001/2000 certification and ISO 17025 for the selected tests and provides valuable testing services to the Textile and Apparel Sector. The Institute possesses a well experienced and professionally qualified staff to carry out the core activities of the organization.

SLITA is considered as the Centre of Excellence in the country for the textile & apparel sector and its professional services are frequently sought after by the Textile and Apparel industry.
