### National Diploma in Textile and Apparel Technology -NVQ Level 5 - 1st & 2nd Semester - 2026

**Morning - 09.00 am - 12.00 noon**

**Evening - 01.00 pm - 04.00 pm**

| No | Covered Modules  | CODE       | Exam Date | Session |
|----|--|------------|-----------|---------|
| 1  | Overview of textile and apparel industry                 | D18T002M01 | 29/3/2026 | Morning |
| 2  | Introduction to Raw materials in the textile and apparel | D18T002M02 |           | Evening |
| 3  | Textile Mathematics                                      | D18T002M03 | 5/4/2026  | Morning |
| 4  | Production planning and controlling                      | D18T002M04 |           | Evening |
| 5  | Product Quality Assurance                                | D18T002M05 | 26/4/2026 | Morning |
| 6  | Industrial Engineering techniques and application        | D18T002M06 |           | Evening |
| 7  | Textile testing  | D18T002M07 | 3/5/2026  | Morning |
| 8  | Packing and Dispatch                                     | D18T002M08 |           | Evening |
| 9  | Emerging Technology                                      | D18T002M09 | 10/5/2026 | Morning |
| 11 | Workplace Information Management                         | EMPM01     |           | Evening |
| 12 | Workplace Communication Management                       | EMPM02     | 17/5/2026 | Morning |
| 10 | Lean Manufacturing                                       | D18T002M10 |           | Evening |
| 13 | Warehouse operations                                     | D18T002M11 | 24/5/2026 | Morning |
| 14 | Fabric Manufacturing Process - Textile Sector            | D18T002M12 |           | Evening |
| 15 | Sewing Machines and work aids -Apparel Sector            | D18T002M20 |           | Evening |
| 16 | Knitting Technology - Textile Sector                     | D18T002M13 | 31/5/2026 | Morning |
| 17 | Introduction to Pattern Making - Apparel Sector          | D18T002M21 |           | Morning |
| 18 | Weaving Technology - Textile Sector                      | D18T002M14 |           | Evening |
| 19 | Tech-pack and sample - Apparel Sector                    | D18T002M22 | 7/6/2026  | Evening |
| 20 | Non- Woven Technology - Textile Sector                   | D18T002M15 |           | Morning |
| 21 | Production Process - Apparel Sector                      | D18T002M23 |           | Morning |
| 22 | Product Development - Textile Sector                     | D18T002M16 | 14/6/2026 | Evening |
| 23 | Embellishment in Apparel Sector - Apparel Sector         | D18T002M24 |           | Evening |
| 24 | Textile Dyeing, Printing and finishing - Textile Sector  | D18T002M17 | 14/6/2026 | Morning |
| 25 | Cutting Process - Apparel Sector                         | D18T002M25 |           | Morning |
| 26 | Machine Maintenance - Textile Sector                     | D18T002M18 |           | Evening |
| 27 | Apparel costing - Apparel Sector                         | D18T002M26 | 21/6/2026 | Evening |
| 28 | Fabric Costing - Textile Sector                          | D18T002M19 |           | Morning |
| 29 | Planning and Scheduling Work at workplace                | EMPM03     |           | Evening |
